

## Kirkhill Primary School Equity Priorities for 2025/2026

### We will...

- Further support Literacy development through bespoke programmes to address barriers to learning, including increasing sight vocabulary knowledge, 5 minute Literacy Box and supporting writing development.
- Further support Numeracy development through the implementation of the 6 minute SEAL Box, Maths Recovery and the Red Book Approaches.

### We will...

- Support learners with social skills through our TLC Groups.
- Support learners with life skills through targeted support.
- Support learner engagement in class through support to develop self-esteem and confidence.

### We will...

- Further extend family learning programmes to support wider achievement and engagement in opportunities.
- Family Engagement Lead to support individual families to improve attendance.
- All learners to receive support to attend a residential and class trips.
- All families to be offered support with school uniform through partnership working with the School Clothing Bank.

### We will...

- Lead Learners will have the opportunity to identify a project to spend a percentage of the Pupil Equity Funding the school receives.
